

Serial No.: 10/604,351
Examiner: Not Yet Assigned
Art Unit: 2632 (Parent)
Date: September 17, 2003

REMARKS

The claims are amended to more distinctly point out the invention, and the new claims are directed to additional aspects of the invention of original filed claim 19 (now canceled.) After this amendment is entered there are six (6) pending claims 20-25.

Respectfully submitted,

Date: September 17, 2003
